GSA Pricelist - SIN 339920S

MFR PRODUCT #	PRODUCT NAME AND DESCRIPTION	GSA PRICE
MS-715	The MS-700 Series Electrostatic Spray System delivers disinfectants and sanitizers in an efficient, cost-effective way. The system uses 65% less solution, works up to 75% faster than traditional methods, and covers up to 18,000 square feet per hour.	\$5,049.64
CH-255	Vital Oxide is an Approved EPA List N product that is proven to Kill COVID-19. Other applications include: Mold Remover & Disinfectant Cleaner that is great for refilling product sprayers, sanitization dilutions, mold remediation, commercial use in facilities and hospitals, and covering large surfaces and areas. Kills 99.9% of bacteria and viruses, kills fungus, mold, and mildew at the source and inhibits growth, sanitizes 99.999% of bacteria on food-contact surfaces with no rinse required, and eliminates odor at a molecular level, not by masking with fragrance.	\$108.50
BB1100-TAN	BUG BUNKER; MOSQUITO BED NET (COYOTE TAN 499) A one person, bug proof tent with two possible configurations. Deploy on the ground as a lightweight, back-packable freestanding bug proof tent. Attach to military cot legs as a bug-proof bednet. Add optional waterproof ground sheet to make an ultra-lightweight hasty hooch configuration. Add camo netting (sold separately) to make a freestanding scout hide-site. Bug-proof "No-See-Um" mesh canopy (permethrin treated) guards against pests & insect-borne diseases. Waterproof tub floor protects the warfighter from wet ground. All mesh canopy & dual doors maximize airflow. All-in-one spider hub pole system w/ integrated brow pole assemblies quickly & maximizes head/elbow room. Corner pockets & accessory loops for additional storage. Easy 3 step assembly. No special tooling required. Quick clips to attach base shelter to poles (no pole sleeves). Dual U-shaped doors for quick entry/exit. Includes: base shelter, all-in-one pole set, 4 DogBone stakes, field repair kit, instructions, & stuff sack.	\$195.20
BE1100-PMP	BullsEye Bug Repellent NSN 6840-01-656-7707 Twelve bottles per case, each bug repellent spray bottle is 4 fl. oz. (118mL). The active ingredient in BullsEye Bug Repellent is IR3535®. It repels mosquitoes that may transmit Zika, Chikungunya, Dengue Fever, and West Nile Virus for up to 8 hours. It offers proven, strong protection when you need it most. Larger size for extended use, yet small enough to be portable. Ideal for extreme environments. Non-Greasy / Odorless. DEET free. Formulated with Dry-Feel Technologies.	\$82.87
CD1110-OCF	Commando 1; 1 Person Tactical Field Tarp. A STAND-ALONE ONE-PERSON FIELD TARP. INCLUDES: FIELD TARP WITH INTEGRATED GUY-OUT SYSTEM, GROUND STAKES, FIELD REPAIR KIT, AND TARP CARRY SACK. DIMENSIONS: 120' X 88'. Extra Large Size And Rectangular Shape Create Ample Coverage For Individual And Gear. Integrated 6 Point Quick Adjust Molded Guy-Out Tensioning System. Tuck-Away Corner Pockets For Quick Storage Of Unused Guy-Out Cord. Catenary Cut Corners Create A Tighter Pitch And Less Noise In High Winds. Waterproof, Flame Retardant, High Tenacity Ripstop Fabrics W/ Heat-Sealed, Waterproof Taped Seams Offers Long-Lasting Wear With Excellent Water-Shedding Capabilities. Includes A Tarp Stuff Stack With Built-In Stake Pocket For Convenient Packing. All Terrain, Solid Aluminum, Tri-Fin Ground Stakes Custom Designed Specifically For Military Use w/ Tensile (breaking) Load = 2,100 lbs and Surface Area (grip strength) = 5.8 cm. Lightweight At Only 1.0 Pounds (Including Stakes And Accessories) And Packs Easily Into Rucksack.	\$169.57
CD2100-OCF	Commando 2; 2+ Person Tactical Field Tarp. A STAND ALONE TWO PLUS PERSON FIELD TARP. INCLUDES: FIELD TARP WITH INTEGRATED GUY-OUT SYSTEM, GROUND STAKES, FIELD REPAIR KIT, AND TARP CARRY SACK. DIMENSIONS: 144' X 88'. MFR PRODUCT #	PRODUCT NAME AND DESCRIPTION	GSA PRICE
	(grip strength) = 5.8 cm. Lightweight At Only 1.5 Pounds (Including Stakes And Accessories) And Packs Easily Into Rucksack.	
CM2100-OCP	Catamount 2 Two Person Mountaineering Tent (OCP Camouflage) NSN 8340-01-685-4246 CataMount 2 is a two-person, camouflage cold weather mountaineering tent designed as a highly stable, lightweight, ruckable shelter made to handle ever changing mountain weather conditions. This tent is very simple to operate, configurable to multiple mission sets, and capable of protecting soldiers during Cold Weather and Mountain Operations. The exoskeleton design allows for a simple 2 step assembly and disassembly in inclement weather. The all in one aluminum spider hub pole system with integrated brow pole, subzero all-weather shock cord repels high winds and can support extra snow load. The double walled ventilation with rainfly storm vents allows for superior airflow to knock down condensation while keeping you warm and comfortable through the harshest weather any mountain can throw at you. Included components: Tent stuff sack, 10 aluminum stakes, 4 guy outs, 2 fabric repair patches, pole repair splint, ground sheet, accessory kit bag, and pole bag.	\$545.50
CM2101-TAN	CATAMOUNT 2; INNER TENT The Catamount 2 inner tent has a tough and durable 70 Denier tub floor to allow for the highest waterproofness and protection from water and snow. The wall of the tent provides a 360-degree coverage with 30 Denier Rip-Stop Nylon. The inner tent material retains the warmth, but still allows for air to circulate through the tent to prevent condensation.	\$195.20
CM2102-OCP	CATAMOUNT 2; RAINFLY (OCP CAMOUFLAGE) The Catamount 2 Rainfly is made from a lightweight and waterproof 30 Denier Rip-Stop Nylon. With the exoskeleton frame this rainfly can be set up with or without a ground sheet for a quick and comfortable hasty hooch.	\$227.91
CM2103-BLK	CATAMOUNT 2; POLE SET LiteFighter is staying on the leading edge of innovation by replacing the old aluminum pole sets and converting to our new "Ghost Bone" Ballistic Fiber with spider hub and all-weather shock cord. Our new ballistic fiber pole frames are lighter, stronger, flexible, and most importantly wind resistant.	\$107.96
CM2106-TAN	CATAMOUNT 2; WATERPROOF GROUND SHEET The Catamount 2 Ground Sheet is an additional layer of waterproofness and wear resistance barrier. It is constructed out of the same durable 70 Denier Rip-Stop nylon as the inner tent with 6 grommet points that allow you to secure tent on top of with the pole sets. The ground sheet is required if you want to construct the Hasty-Hooch configuration. To construct this variation, it requires a soldier to insert the pole-sets into the grommets on the groundsheet to erect the framework, then secure the rainfly on the pole-set.	\$31.62
CM2107-OCP	CATAMOUNT 2; CARRY SACK (OCP CAMOUFLAGE) The Catamount 2 Operational Camouflage Pattern OCP carry sack is produced from the 70 Denier Rip-Stop nylon material. This bag is a compression pack for your pop-up tent. It allows for you to quickly pick up and put all of the components of your military tent in one water resistant bag. You can either secure this stuff sack onto the top of your ruck sack, or safely inside of it.	\$31.62
CM2108-TAN	CATAMOUNT 2; TENT ACCESSORY KIT The accessory kit includes 10 aluminum stakes, 2 fabric repair patches, pole repair splint, user set up guide, and an accessory kit bag to hold all of the content.	\$53.43
CM2109-TAN	CATAMOUNT 2; TENT POLE BAG The Catamount 2 tent pole bag is produced from a Rip-Stop nylon material. It holds you Catamount 2 tent poles.	\$5.45
CM2113-BLK	CATAMOUNT 2; VISUAL USER GUIDE A weather-resistant, printed pocket guide with visual instructions on how to assemble the Catamount 2 two-person cold weather mountaineering tent.	\$3.27
DB1106-BLK	Litefighter Tent Ground Stakes; Set of Six (6) NSN 8340-01-628-9159 "Dog Bone" ground stakes. These tent ground stakes are made out of aircraft quality aluminum and feature a tri-finned design that allows the soldier to easily insert it into the ground. With the tri-finned design it also enables the ground stake to firmly hold the LiteFighter 1 military tent securely in place.	\$32.24
FS1100-OCP	Litefighter 1 Individual Shelter System (OCP Camouflage) NSN 8340-01-628-8855 The LiteFighter 1 in Operational Camouflage OCP is a lightweight single person combat tent. The LF1 tent can be deployed on the ground or affixed to a Military COT for some comfort and privacy in group sleeping conditions. The LF1 includes: a	\$326.06

MFR PRODUCT #	PRODUCT NAME AND DESCRIPTION	GSA PRICE
	camouflage waterproof rainfly (OCP) with 2 oversized vestibules for gear storage, a 2-door inner tent with “no see-um” permethrin treated mesh to repel insects, and the most innovative ballistic fiber spider frame pole set available on the market. Included components: Tent stuff sack, 6 aluminum stakes, 4 guy-outs, 2 fabric repair patches, pole repair splint, accessory kit bag, and pole set bag. Additional items: Waterproof ground sheet, Windbreaker 4 season Cover, and a Ruggedized Tuff Sack to attach to Ruck Sacks. Other descriptions: 1 Man Tent, Army Tent, 3 season tent, 4 season tent, 1 person tent, individual sleep tent, backpacking tent, military tent, tactical tent	
FS1101-TAN	LITEFIGHTER 1; INNER TENT The LiteFighter 1 Inner Tent is constructed of 70 Denier Rip-Stop nylon with a polyurethane coating and a permethrin treated mesh. The tub floor is wear resistant, durable, waterproof, and every sewn seam has been treated with seam seal tape to ensure that it is waterproof and tear resistant. The mesh surrounding the remainder of the tent is treated with permethrin to help repel and keep out insects. Inside of the army inner tent there are plenty of hooks and pockets to hand and store gear and equipment. Assembling the lightweight inner tent can be done in two simple steps, and our custom designed pole foot adapters and tent clips allows for soldiers to quickly clip the inner tent to the pole frame. The inner tent also has the capability to attach to any military cot. Utilizing the four patented cam-buckle anchor points you can clip to all four legs of a military cot and cinch your tent down securing it in place.	\$140.67
FS1102-OCP	LITEFIGHTER 1; RAINFLY (OCP CAMOUFLAGE) NSN 8340-01-628-8943 The LiteFighter 1 Rainfly is constructed of 30 Denier OCP Rip-Stop Nylon. Our rainfly is completely waterproof and can be utilized with our ground sheet to construct a hasty hooch shelter.	\$184.29
FS1103-BLK	LITEFIGHTER 1; POLE SET NSN 8340-01-628-9148 LiteFighter is staying on the leading edge of innovation by replacing the old aluminum pole sets and converting to our new "Ghost Bone" Ballistic Fiber with spider hub and all-weather shock cord. Our new ballistic fiber pole frames are lighter, stronger, flexible, and most importantly wind resistant.	\$64.34
FS1106-TAN	LITEFIGHTER 1; WATERPROOF GROUND SHEET NSN 8340-01-628-9148 The LiteFighter 1 Ground Sheet is an additional layer of waterproofness and wear resistance barrier. It is constructed out of the same durable 70 Denier Rip-Stop nylon as the inner tent with 6 grommet points that allow you to secure tent on top of with the pole sets. The ground sheet is required if you want to construct the Hasty-Hooch and hide-site configuration. To construct these variations, it requires a soldier to insert the pole-sets into the grommets on the groundsheet to erect the framework, and then you can place and secure the rainfly or camo netting over the pole-set.	\$31.62
FS1107-OCP	LITEFIGHTER 1; CARRY SACK (OCP CAMOUFLAGE) The LiteFighter 1 Operational Camouflage Pattern OCP carry sack is produced from the 70 Denier Rip-Stop nylon material. This bag is a compression pack for your pop-up tent. It allows for you to quickly pick up and put all of the components of your military tent in one water resistant bag. You can either secure this stuff sack onto the top of your ruck sack, or safely inside of it.	\$20.72
FS1108-TAN	LITEFIGHTER 1; TENT ACCESSORY KIT The accessory kit includes 16 aluminum stakes, 2 fabric repair patches, 4 guy out cords, pole repair splint, user set up guide, and an accessory kit bag to hold all of the content.	\$42.53
FS1109-TAN	LITEFIGHTER TENT POLE BAG The LiteFighter 1 tent pole bag is produced from a Rip-Stop nylon material. It holds you LiteFighter 1 tent poles.	\$5.45
FS1110-TAN	LITEFIGHTER TENT ACCESSORY BAG The LiteFighter 1 accessory kit includes 6 aluminum stakes, 2 fabric repair patches, pole repair splint, user set up guide, and an accessory kit bag to hold all of the content.	\$4.36
FS1111-CLR	LITEFIGHTER TENT FABRIC REPAIR PATCHES (SET OF 4) Two fabric repair patches that can be used to temporarily patch any holes or tears you get from usage in austere environments. The waterproof tight patch is quick and simple to use. If you encounter a tear or puncture while utilizing your tent you can repair it as easy as placing a durable waterproof sticker on the front and backside of the tear. Although the fabric repair patch is not a long-term solution to a tear in your tent system, it will allow you to complete your mission without worrying about leaks.	\$5.45

MFR PRODUCT #	PRODUCT NAME AND DESCRIPTION	GSA PRICE
FS1112-TAN	LITEFIGHTER TENT GUY-OUTS (SET OF 4) Four guy-outs to secure your tent in high wind conditions. Each guy out is made out of the LiteFighter exclusive bump lock cord, which is stronger and more durable than the widely used parachute cord. Each guy-out also has a custom molded tensioner that allows the soldier to wrap the cord around any object and tension the line without readjusting or re-tying.	\$17.45
FS1113-BLK	LITEFIGHTER 1; VISUAL USER GUIDE A weather-resistant, printed pocket guide with visual instructions on how to assemble the LiteFighter 1 one-person tent.	\$3.27
FS1114-BLK	LITEFIGHTER TENT POLE REPAIR SPLINT This can be temporarily used to splint a broken section of your pole-set so you can continue to utilize the system until you can properly replace the broken poles. To attach the splint, it is as easy as following the directions we have engraved on the splint itself. It will instruct you to center the break on the pole set to the middle of the splint, and then you will have to secure both ends of the splint with tape to hold it in place and you're finished. It's very similar to setting up a claymore, front toward enemy, so if you've safely done that this shouldn't be an issue.	\$3.27
FS1115-TAN	LITEFIGHTER 1; WINDBREAKER COVER The WindBreaker is made out of a lightweight 30 Denier water resistant nylon. It is compatible with all LiteFighter one-man tents and attaches onto the inner tent. The windbreaker covers all of the exposed mesh on the inner tent and allows the system to retain body heat while decreasing the amount of wind that circulates through the tent. Since the system sits directly on the mesh it still allows air to pass in between the windbreaker and rainfly and this eliminates condensation inside of the inner tent.	\$52.28
FS1116-TAN	LiteFighter 1; Cold Weather Kit. OPTIONAL COLD WEATHER KIT FOR LITEFIGHTER 1. INCLUDES 3 COMPONENTS 1) WINDBREAKER COLD WEATHER INNER TENT COVER 2) SNOW/SAND ANCHORS. SNOW/ SAND ANCHORS HELP STAKE DOWN BACKPACKING TENTS AND SHELTERS IN LOOSE SURFACES OR IMPENETRABLE GROUND. FILL ANCHORS WITH SNOW, SAND OR ROCK OR WRAP IT AROUND A TREE TRUNK TO STAKE OUT TENT. SOLD AS A SET OF FOUR (4). 3) CARRY SACK.	\$95.72
FS2100-OCP	LITEFIGHTER 2; TWO PERSON COMBAT TENT (OCP CAMOUFLAGE) NSN 8340-01-628-8871 The LiteFighter 2 in Operational Camouflage OCP is a lightweight two-person combat tent. The LF2 tent can be deployed on the ground for comfort and privacy in group sleeping conditions. The LF2 includes: a camouflage waterproof rainfly (OCP) with 2 oversized vestibules for gear storage, a 2-door inner tent with "no see-um" permethrin treated mesh to repel insects, and the most innovative ballistic fiber spider frame pole set available on the market. Included components: Tent stuff sack, 6 aluminum stakes, 4 guy-outs, 2 fabric repair patches, pole repair splint, accessory kit bag, and pole set bag. Additional items: Waterproof ground sheet, Windbreaker 4 season Cover, and a Ruggedized Tuff Sack to attach to Ruck Sacks. Other descriptions: 2 Man Tent, Army Tent, 3 season tent, 4 season tent, 2 person tent, dual sleep tent, backpacking tent, military tent, tactical tent	\$435.10
FS2101-TAN	LITEFIGHTER 2; INNER TENT The LiteFighter 2 Inner Tent is constructed of 70 Denier Rip-Stop nylon with a polyurethane coating and a permethrin treated mesh. The tub floor is wear resistant, durable, waterproof, and every sewn seam has been treated with seam seal tape to ensure that it is waterproof and tear resistant. The mesh surrounding the remainder of the tent is treated with permethrin to help repel and keep out insects. Inside of the army inner tent there are plenty of hooks and pockets to hold and store gear and equipment. Assembling the lightweight inner tent can be done in two simple steps, and our custom designed pole foot adapters and tent clips allows for soldiers to quickly clip the inner tent to the pole frame. The inner tent also has the capability to attach to any military cot. Utilizing the four patented cam-buckle anchor points you can clip to all four legs of a military cot and cinch your tent down securing it in place.	\$162.48
FS2102-OCP	LITEFIGHTER 2; RAINFLY (OCP CAMOUFLAGE) NSN 8340-01-628-8955 A waterproof Operational Camouflage Pattern OCP rainfly for the LiteFighter 2 Two Person Tent. This rain tarp adds a large vestibule outside each of the LF2's two entry doors. Keep you and your gear dry when the weather gets wet.	\$217.00

The GEN III Extreme Wet/Cold Weather coat is designed for use in moderate to cold wet conditions as a hard-shell layer combined with other base and insulated mid layers. NOTE: Sizing runs slightly larger to accommodate additional layers. Constructed with two-layer waterproof GORE-TEX material and seam-sealed throughout. This jacket provides an outstanding lightweight, completely waterproof, windproof and breathable level of protection against the elements with 50% less bulk than previous systems. Level VI also incorporates near infrared signature reduction technology further enhancing soldier survivability. Genuine U.S. Military Issue. Berry Compliant. Made in the U.S.A.	\$166.98

RC1100-OCP	<p>RECONDO 1; JUNGLE HAMMOCK SYSTEM; MOSQUITO HAMMOCK W/ RAIN TARP (OCP CAMOUFLAGE) Our multi-season, lightweight, one-person hammock system is designed to protect the warfighter in jungle and forested environments. The hammock body is made of a durable/breathable fabric and has a sewn in 360-degree insect protection "No-See-Um" mesh that's treated in permethrin for extra coverage. The all mesh canopy and full-length zipper door allows for easy entry and maximum airflow. The oversized waterproof camouflage rain tarp with its 6 point quick adjust molded guy out tensioning system cover allows for superior coverage to protect you from driving rains and wind. The integrated carabiners, all in one stuff sack, and adjustable tensioners allow for a quick and easy setup within 60 seconds.</p>	\$315.15
RC1101-GRN	<p>RECONDO 1; MOSQUITO HAMMOCK The Recondo 1 Jungle Hammock is a one-person military hammock that sets up in under a minute. It's a lightweight, breathable solution that keeps the occupant off the ground, dry and bug-free. Included: Jungle Hammock with Integrated "No-See-Um" Mesh Canopy (Permethrin Treated), Snake Skin Cover, Carabiners, Tree Straps, and Stuff Sack; Waterproof Tarp with Integrated Guy-Out System, Ground Stakes, Field Repair Kit, and Instruction Manual</p>	\$162.48
RC1102-OCP	<p>RECONDO 1; FIELD TARP (OCP CAMOUFLAGE) The oversized waterproof camouflage rain tarp with its 6 point quick adjust molded guy out tensioning system cover allows for superior coverage to protect you from driving rains and wind.</p>	\$184.29
RC1103-BLK	<p>RECONDO 1; CARABINERS SET OF TWO (2) The set of two LiteFighter Recondo 1 hammock carabiners provide a fast and easy way to quickly clip on and off your suspended hammock.</p>	\$9.81
RC1106-BLK	<p>RECONDO 1; TREE STRAPS SET OF TWO (2) LiteFighter designed the Recondo 1 jungle hammock system with 3 things in mind: strength, security and ease. These no-knots-needed tree strap will have you relaxing securely in seconds.</p>	\$9.81
RC1107-GRN	<p>RECONDO 1; MOSQUITO HAMMOCK CARRY SACK The Recondo 1 Mosquito Hammock carry sack is produced from the 70 Denier Rip-Stop nylon material. This bag is a compression pack for your pop-up tent. It allows for you to quickly pick up and put all of the components of your military tent in one water resistant bag. You can either secure this stuff sack onto the top of your ruck sack, or safely inside of it.</p>	\$26.17
